WELCOME TO INTERNAL REVENUE SERVICE/ MINNESOTA DEPARTMENT OF REVENUE/ NORTH DAKOTA OFFICE OF STATE TAX COMMISSIONER E-FILE 2002

We are very excited to offer E-FILE 2002 seminars again this fall. This brochure is your complete guide to the sessions being conducted in Minnesota, North Dakota, and South Dakota.

We have just finished a tremendous filing season where we experienced 13% growth in e-file nationwide and 33% growth in our three states. Thanks to each of you for helping achieve this increase. Don't forget you can e-file returns through October 15, 2001!

At each session we will cover changes for the coming tax season. We will discuss some of the problems encountered in the past and suggestions to resolve them. We will provide an overview of the electronic filing program and the processes for completing and revising the Authorized E-file Application (Form 8633). Representatives from IRS and your state tax department will be present.

We invite you to bring your questions and concerns to one of these sessions. All seminars are **FREE**. Registration is required. Some locations fill up quickly, so please register now. CPE certificates will be issued.
